***All Liberal MPs** have agreed and will be required to vote pro-choice on any abortion-related bills/motions. Also, Trudeau won't likely allow anti-choice MPs to introduce their own bills/motions, or publicly advocate against abortion rights. Therefore, these MPs should not pose any threat, although they should be monitored. Likewise, Liberal MPs not on [this 2014 pro-choice list](#) may warrant monitoring to ensure they adhere to the party's pro-choice policy.

****Anti-choice MPs** are designated as anti-choice based on at least one of these reasons:

- Voted in favour of Bill C-484 and/or Bill C-510 and/or Motion 312
- Opposed the Order of Canada for Dr. Henry Morgentaler in 2008
- Made public anti-choice or "pro-life" statements
- Participated publicly in anti-choice events or campaigns

- Rated as “pro-life” by [Campaign Life Coalition](#)

Please email info@arcc-cdac.ca if you have additional information.

*****Pro-choice MPs:** Estimate includes Conservative MPs with a public pro-choice position and/or pro-choice voting record. It also includes all Liberal MPs (except the 7 anti-choice ones) and all MPs from all other parties based on the assumption they are pro-choice or will vote pro-choice.
