

What Are Fake Clinics

Crisis Pregnancy Centres (CPCs)
Over 200 fake clinics in Canada.

Often called:

- Pregnancy Care Centres
- Pregnancy Crisis Centres
- Pregnancy Resource Centres
- Birthright

They claim to provide all options but these clinics will never refer someone for an abortion.

Well-funded.
Corporate, private, and government funding.

Fake clinics provide misinformation or withhold information. They exaggerate the risks of abortion or outright lie about the risks.

Often present themselves as secular organizations but are religious or faith-based.

Most are staffed by people with no professional medical or counseling training.
