Changes Since 2017

The above data documents past Canada Summer Jobs grants *before* the Liberal government decided to first deny funding to anti-choice groups (in April 2017) and then change the criteria (in Dec 2017). The table below shows changes since then. To their credit, the Liberal and NDP parties have significantly decreased funding. However, the Conservative Party has *increased* it.

Party	2016-2017	2017-2018	Change
Conservative	86,857	96,412	9,555
Liberal	193,786	21,700	-172,086
NDP	16,986	8,580	-8,406
Total	297,629	126,692	-170,937
