

What Are Fake Clinics

About 150 fake clinics in Canada
Often called:

- Pregnancy Care Centres
- Pregnancy Crisis Centres
- Pregnancy Resource Centres
- Birthright

They claim to provide all options but these clinics will never refer someone for an abortion

Fake clinics provide misinformation or withhold information. They exaggerate the risks of abortion or outright lie about the risks.

Well-funded. Corporate, private, and government funding.

Often present themselves as secular organizations but are religious or faith-based.

They have no legal obligation to protect your medical privacy.

Most are staffed by people with no professional medical or counseling training.

You have a right to medically accurate information
